## IMPORTANT INFORMATION

---

**Transport:** Getting to Otehei Bay on Urupukapuka Island is easy with departures available from Paihia and Russell (Waitangi in special circumstances) on the Explore ferry. On board, there is a fully licensed bar, and your guests will experience superior comfort and stunning scenery on their journey.

**Privacy:** Otehei Bay is a year round destination offering a daily ferry service during peak season plus private charter year-round. There are tourist vessels that disembark for 1.5hrs twice a day in summer and once a day in winter. While we do our utmost to ensure your celebration is as private as possible, sometimes there are factors outside of our control that mean this is not always possible.

**Dining & beverage options:** There is a fully licenced restaurant and bar on site. We will work with you to provide onsite catering over summer and can work with an approved offsite caterer over winter.

**Wedding services:** We will work with you to coordinate your wedding function, providing support and assistance so you can relax and enjoy your day.

## POST WEDDING FUNCTION AT OTEHEI BAY

**Otehei Bay is the perfect spot to spend time with your loved ones after your wedding day. Being just a short ferry ride from Paihia and Russell, the tranquil shores of Otehei Bay provide the perfect spot to host your friends and family after the big day.**

Reserve one of our prime island beachfront areas, set with outdoor furniture and shade to create a special hub for guests to sit back and relax. Your reservation includes return ferry transport from Paihia/Russell and BBQ catering. There is a fully licensed bar and cafe onsite should guests wish to order additional food on the day.

There are a myriad of activities available for your group – including swimming, relaxing on the beach, lawn games, hiring kayaks, nature walks and more. Your guests are sure to be blown away while creating lifetime memories surrounding your special day.

Please contact us with your requirements and we can build a bespoke package to suit your budget and requirements.
